

Thimble Roll Exercises

Written in "Minstrel D tuning"
but any tuning and/or chord
may be used.

The thumb plays only the 5th string notes.
The thimble glides smoothly from one string
to the next as in a single stroke.

Jim Dalton

Strictly - from "slow enough to be even" to "as fast as you can"

Repeat each measure many times

Repeat each measure many times

Repeat each measure many times

Use a metronome -- especially on this one:

Repeat each measure many times
